

Dansk Selskab for Flowcytometri

www.flowcytometri.dk

It is our pleasure to invite you to the

54th meeting of the Danish Flow Cytometry Society (DSFCM)

"Safety in Flow Cytometry"

Date: 29. October 2015, kl 11:15-15:45
Location: Auditorium at "Naturhistorisk Museum"
Wilhelm Meyers Allé 210, Aarhus University,
DK-8000 Aarhus C

[Please see attached map](#)

Program:

- 11:15-11:25 Welcome
- 11:25-12:10 GMO/BSL rules and regulations in flow cytometry (*Andrea Wilcks and Bende Storgaard Sørensen, Biosafety organization, KU*)
- 12:10-13:00 Lunch, networking, and exhibition
- 13:00-13:45 A Historical Perspective on Biosafety in Cell Sorting (*Peter Lopez, Director NYULMC Flow Cytometry Facility, New York*)
- 13:45-14:30 Coffee, networking, and exhibition
- 14:30-14:50 How clinical samples for FCM are handled today (*Line Nederby, Senior Scientist, Aarhus University Hospital*)
- 14:50-15.10 Current biosafety in research related flow cytometry (*Charlotte Petersen, Manager The FACS Core Facility, Aarhus University*)
- 15:10-15:45 Panel discussion

Please visit www.flowcytometri.dk for updates on the program

Practical information:

- There will be served sandwiches in the lunch break and coffee and cake in the small afternoon break
- Cooperate members of the DSFCM have the possibility to put up a stand to present their products. The stand is app 90x180 cm. Please register via email to jpc@sund.ku.dk with "attending at 54th meeting" as headline no later than Tuesday 16.10.2015

Registration:

- All are welcome and the attendance is free of charge.
- However, registration is required since space is limited, and we need to order sandwich for you.
- Please register via email to jpc@sund.ku.dk with "54th dsfcm meeting" as headline no later than Tuesday 16.10.2015

Looking forward seeing you in Aarhus

On behalf of the board
Jan P. Christensen
