It is our pleasure to invite you to the

55th meeting of the Danish flow cytometry society (DSFCM)

“Safety in flow cytometry”

Date: 5. April 2016, kl 10:00-16:00

Location: Auditorium, Entrance 24 (next to staff cafeteria),
Roskilde Hospital,
Køgevej 7-13, 4000 Roskilde

Please see attached map

We have gathered vendors that will speak about how their instruments cover safety in flow cytometry. The presentation will cover relevant safety issues that we discussed at the last meeting, did you miss that, not a problem, the talks are still very relevant for all of us.

After the presentations the general election will be held, see separate information about agenda.
