

Dansk Selskab for Flowcytometri

www.flowcytometri.dk

It is our pleasure to invite you to the

63rd meeting of the Danish flow cytometry society (DSFCM)

“Exotic Flow Cytometry”

Date: 4. May 2020, kl 10:00-16:00
Location: Auditorium and room 25.104, SDU
J.B. Winsløvs Vej 25, 5000 Odense C

Please see attached map

This meeting will be about Exotic Flow Cytometry, things you perhaps do not hear about that often. We have gathered people from very different fields for an interesting set of talks.

Program:

- | | |
|-------------|--|
| 10.00-10.15 | Arrival |
| 10.15-10.20 | Welcome |
| 10.20-11.05 | Keynote speaker Jaroslav Dolezel, Institute of Experimental Botany, Czech Republic, “Flow cytogenetics: the exotic way of genome sequencing, gene cloning and uncovering chromosome ultrastructure”. |
| 11.10-11.40 | Cristina Gamba, Samplix “Exotic Droplets, which helps bringing the Dark Genome to light”. |
| 11.45-12.45 | Lunch and exhibition |
| 12.45-13.15 | Torben Nybo, VikingGenetics, “Flow Cytometry in cattle semen production, from analyses to sexsorting” |
| 13.20-13.40 | Tina Temkiv “Sea-spray experiments coupled with flow cytometry reveal preferential emissions of microorganisms from aqueous environments into the atmosphere” |
| 13.45-14.20 | Break with Coffee and exhibition |
| 14.20-14.40 | Kasper Urup Kjeldsen “Fluorescence-activated cell sorting for studying microbial dark matter” |
| 14.40-15.00 | Frederik Thomsen “Implementation of Flow Cytometry in Dairy Science as an Alternative to Traditional CFU Quantification” |
| 15.00-16.00 | General assembly |

Please visit www.flowcytometri.dk for updates on the program

Practical information:

- Corporate members of the DSFCM have the possibility to present advertisement and products at a stand next to the auditorium. Please register at <https://events.au.dk/exoticflowcytometry> no later than Monday 17.04.2020

Registration:

- All are welcome and the attendance is free of charge.
- However, **registration is mandatory** since we need a head count for lunch.
- Please register at <https://events.au.dk/exoticflowcytometry> no later than Monday 17.04.2020

Parking is free at Winsløwparken, but your car needs to be registered.

Visitor and worker parking at Winsløwparken

Visitors and external users, who make use of facilities at Winsløwparken 9 A and B and 15-25, are able to make a digital parking registration via self-service Ipads placed by the entrances. Once you have entered your registration number your permit will be valid for 4 hours. If you need to visit SDU for an extended period of time, you can contact Technical Services by email on 8888@sdu.dk.

Looking forward to see you in Odense

On behalf of the board
Jan P. Christensen
