

Dansk Selskab for Flowcytometri

www.flowcytometri.dk

It is our pleasure to invite you to the

64th meeting of the Danish flow cytometry society (DSFCM)

“Exotic Flow Cytometry and SARS-CoV-2 in flow cytometry laboratories”

Date: November 12th 2020, kl 13:00-16:00
A zoom link will be sent out to all registered

Registration deadline November 6th

This meeting will be about Exotic Flow Cytometry, things you perhaps do not hear about that often, followed by a discussion about how to handle SARS-CoV-2 in flow cytometry.

Programme:

- | | |
|-------------|--|
| 13.00-13.10 | Welcome |
| 13.10-13.40 | Samplix “Double-emulsion droplet sorting: Strategies and applications for multiomic profiling” |
| 13.45-14.15 | VikingGenetics “Through the years from sperm sorting, to sex-sorting and QC” |
| 14.20-14.50 | How are we dealing with Corona in flow cytometry laboratories – a short introduction by Jan Pravsgaard followed by a discussion. |
| 14.50-15.00 | Break |
| 15.00-16.00 | General assembly |

Please visit www.flowcytometri.dk for updates on the program

Registration:

- All are welcome and the attendance is free of charge.
- However, **registration is mandatory** since we will only send out the meeting link to those registered.
- Please register at <https://events.au.dk/64thmeeting-dsfcml/conference> no later than Friday 06.11.2020

On behalf of the board
Anja B. Bohn
