

Dansk Selskab for Flowcytometri

www.flowcytometri.dk

It is our pleasure to invite you to the

62nd meeting of the Danish flow cytometry society (DSFCM)

“Flow Cytometry in Clinical Research”

Date: 12. November 2019, kl 11:00-16:00

Location: Aarhus University Hospital, Aud G, Entrance G
Palle Juul-Jensens Boulevard 99, 8200 Aarhus N

Please see attached map

We have gathered people from the clinical part of Flow Cytometry to tell about their work and protocols.

Program:

- | | |
|-------------|--|
| 11.00-11.15 | Welcome |
| 11.15-12.00 | Hans Jürgen Hoffman, “The basophil activation test in diagnosis and monitoring of allergy” |
| 12.00-13.00 | Lunch and exhibition |
| 13.00-13.20 | Marianne Agerlund, “A 15-color panel for phenotypic characterization of leukemic stem cells in children with acute myeloid leukemia” |
| 13.25-13.55 | Mikkel Steen Petersen, “The Swiss-army knife of the Clinical Immunology lab” |
| 14.00-14.45 | Break with Coffee and exhibition |
| 14.45-15.15 | Morten Hansen, “Immune profiling of blood in clinical cancer immunotherapy” |
| 15.20-16.00 | General discussion and questions |

Please visit www.flowcytometri.dk for updates on the program

Practical information:

- Corporate members of the DSFCM have the possibility to present advertisement and products at a stand next to the auditorium. Please register at <https://events.au.dk/clinicalflowcytometry> later than Friday 01.11.2019

Registration:

- All are welcome and the attendance is free of charge.
- However, **registration is mandatory** since we need a head count for lunch.
- Please register at <https://events.au.dk/clinicalflowcytometry> later than Friday 01.11.2019

Parking is possible

Looking forward to see you in Aarhus

On behalf of the board
Jan P. Christensen
